Frameless Shower Door Worksheet

Company: _____ **Contact:** _____ **Phone No. ()** _____ **Fax No. ()** _____

Guide to using the "Frameless Shower Door Worksheet"

This Worksheet was designed to assist you in covering the details required to complete a frameless shower enclosure. The Checklist section requires that you mark the box or fill in the blank that applies to your unit. Going through this exercise should prevent you from overlooking any details related to the installation, and assist you in making hardware selections. The **Product Selection** area is where you can actually write down the complete catalog numbers of the products you have selected.

Checklist: (mark each box or fill in each blank where applicable)
